Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I kayak recreationally in Idaho almost every year and hope to in the future. But if river water quality is impacted, I may be forced to go elsewhere to other states that have better protections of their watersheds.

Thank you for considering these comments.

Sincerely,

Harrison Rea
