Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a lifelong whitewater paddler. I have only had the privilege of going paddling in Idaho once, so far, but I plan to return for more of the amazing, gorgeous country and the rivers that run through it. Idaho is rich in natural beauty and it needs protection for future generations. Please honor God's charge to us all to be good stewards of his Creation.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

[INSERT any specific opinions you have that support continued protection of any specific streams listed in the Draft Suitability Report]

Thank you for considering these comments.

Sincerely,

Bryant Smith
