Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

Our family has been fortunate to enjoy boating and hiking on the Selway, Lochsa, and Clearwater Rivers. We want these unique and special places protected, so our grandchildren can also have the opportunities we have enjoyed, and experience these beautiful rivers.

Since the health of these rivers depends directly on the health of their tributaries, it is imperative that the tributaries are protected also.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation.

If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments.

Sincerely,

Niki Vogt
