Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

As an outdoor industry employee, watersports enthusiast, and local to the region, I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I raft, camp, and hike in these pristine mountains and rivers, and please protect them so my children and our future generation can enjoy them too.

Thank you for considering these comments.

Sincerely,

Kristine Clausen
