Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Thank you for considering these comments. The rivers in the Nez Perce Clearwater National Forest are a treasure, and as a river recreationist one of the main reasons I love Idaho and continue to live here. Please protect these amazing resources.

Sincerely,

Ryan Stevenson
