Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am a 4th generation Idahoan and an avid whitewater rafter and outdoorsman.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

I believe our protected rivers and lands are our most prized possessions in Idaho. I hope that continues to be the case well in my children's futures.

Thank you for considering these comments.

Sincerely,

Brian Olson
