Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

River protection is a major reason for why I recently received a master's degree in public policy. I believe very strongly that we need to protect our waterways any if they are experiencing harsh environmental shifts and overconsumption.

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report.

Please do not remove these protections!

Thank you for considering these comments.

Sincerely,

Taylor Steenblock
