Comments: Comments On Draft Wild and Scenic Suitability Report

Dear Nez Perce Clearwater National Forests,

Dear Nez Perce Clearwater National Forest,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice my support for their ultimate designation. If you finalize the Draft Suitability Report, I ask that all 89 streams be found suitable in the final report. As an angler and rafting enthusiast who spends a lot of time in the Selway and Lochsa drainages, please manage them to maintain their outstanding water quality and recreational opportunities. Don't lessen resource protection standards in the forest plan.

Thank you for considering these comments.

Sincerely,

James Morrison
