Comments: To whom it may concern,

I am an avid user of the Chugach National Forest. I have been riding snowmobiles in the CNF for the last 20 years. I have a 3 year old son that I now take to the Turnagain Pass area to ride snowmobile's in the low level areas. Snowmobileing is a major economic boost to the local and national economy. People spend tens of thousands of dollars on snowmobiling each year. I would like to see option B at a minimum in the CNF, definitely NOT option C or D.

Thank you for your time,

John Dean
