Comments: Good Day,

Me and my family have used the Chugach National Forest to recreate in for over 35 years. Doing both motorized and non-motorized activity. Our kids grew up riding snowmachines in the forest.

I strongly support option A and to a lesser degree option B. I don't support closing any area open to motorized use currently, in fact there are a few places I would like to see open to motorized use, Center Creek / Divide Creek being one of them.

Thank you for the opportunity to voice my opinion.

Sincerely,

Colleen Ferrin
