Comments: To whom it my concern

MY name is Bodray Allan Dell, I was originally from Spokane Washington. My mother, step dad, two sisters and I moved here when I was ten. I grew up riding all over Alaska. It's an Alaskan tradition, I am 35 years of age now and have been riding over half my life in Alaska. I feel the impact of shutting down riding areas with up the suicide rate in Alaskan communities. I get what the problems are and feel that they should not be problems. I would ask for you to consider leaving our riding lands open to motorized vehicle to help impact the future children with the same opportunities we all have when we were growing up. Thank you for your time.
