First name: Dan

Last name: Adams

Organization: PO Box 11846

Title: Owner of Next Level Riding Clinics

Comments: As a permitted outfitter of the Grey's River Ranger District in Alpine , WY I am strongly against public land closures. There are many of us that follow the rules, pay our taxes, and feed our families using public lands as part of our businesses. Once again I am strongly against this closure and hope my comments are heard!
