Comments: hi my name is jj fabeck. im 19 years old, i have been been riding and exploring the chugach since i was a 5. my dad used to take me out riding and exploring new areas. i dont know what i would do without this area. my favorite activity is riding snowmachines with my buddys and father and exploring new fun areas. this is what i look forward too every fall season. i spend a lot of time and money into my mahcine so i can get ready for the riding season. i respect the chugach so much, and i think if they shut it down it will just cause more problema by people being pissed off and mot being able to ride. because you know opening day of turnagain pass theres gonna be a lot more problems and we dont need these. so i think they should let us ride motorvehicles and have what we want.

thanks so much for reading.
