Comments: My name is Ryder Leete. I live in Soldotna, and I'm 15 years old. I like to snowmachine with my dad, and we are going to Lost Lake for my first time this year. I think you should keep the riding areas that are open now open for the future. Snowmachining is a good activity for a lot of people, including my friends and myself. I hope you decide to keep the Chugach open so I can ride more areas as I get more experience. Thank you
