First name: Riley

Last name: Harris

Organization:

Title:

Comments: Hi, my names riley and i was born and rasied in alaska. Ever since i was little my family and i have been riding snowmachines at turnagain, lost lake, and a couple other good riding spots. I really dont think u should take away the privileges that people have grown up having. many families and groups of people love riding in these mountains and have for years. Dont take away other peoples happiness.
