Comments: To whom it may concern:

My family and I have been using the CNF for over 10 years as a recreational get away. My children learned to ride snow machines there as well as avalanche safety and winter wilderness survival.

These areas our part of our life. They are part of us. I hope my children as well as there children will continue to be able to enjoy the CNF as I have for years to come.

Please don't take this away from us. Let's us continue to enjoy the back country as we have for so many years.

Thank you for your time and consideration.
