Comments: Dear Sirs,

My sons and I frequently ride snow machines in the Resurrection Pass, Lost Lake, Johnson Pass and Turnagain Pass areas. My opinion is that categorizing additional areas as wilderness will significantly hamper my ability to access these areas that I love. There are many areas that are closed to motorized use already and there is no need to expand these areas. The 2002 plan, as is currently in place, is more than adequate and should not be changed. Thanks for listening to my opinion.

Sincerely,

Dave Standerfer
