Comments: My name is Casey Tiedje, I was born and raised in Alaska. I'm an avid outdoorsman and often visit the Chugach in the summer for hiking, camping, hunting and fishing. In the winter I frequently visit Johnson's Pass, Lost Lake, Turnagain and Placer River for snowmobiling in the mountains. I am in favor of Plan B. I feel Plan C&D will close corridors for snowmobilers to access the higher elevations in the mountains.
