Comments: Hello to whom it concerns; I am an avid outdoorsmen who wishes to visit all of the great outdoors parks and open spaces in the United States. I hope to have my daughter by my side as well over the next 30 years before I'm too old to do so. I hope to pass my passions on to her. I enjoy snowmobiling, hiking, skiing and really any outdoor sport where it gets you out in the wilderness. I support multi use areas both motorized and non. I do not support closing off terrain to one group and in a sense segregating them. I think we can all agree segregation is a thing of the past. I believe we can all get along here with open minded thinking and a sense of peace and sharing. Thank you for your time and consideration. Derrick neikam.
