Title:

Comments: Dear Forest Service,

I love Alaska and part of the reason why is the free access to wilderness areas and common sense rules regarding use of those areas. I snow machine, hike, boat and fish, and four wheel every chance I get. It is one of the best reasons to live in Alaska. There is no need to change a good thing and no problems to resolve by limiting accesses as they are. Please do the right thing and keep Alaska as it is.

Larry A Miles
