Comments: I would like to voice my support for continued use of motorized access in the CNF. Being born and raised from the Kenai Peninsula I have had many adventures in the CNF. Most of those adventures involve winter motorized use in the Lost Lake area. Being able to snowmachine in the lost lake area with my brothers have inprinted lifetime memories of joy and fun with my family. I can only hope that both my children get to experience the fun and memories that i have had with my siblings in the CNF.
