Comments: To whom it may concern born in raised in Seldovia, Ak grew up riding Cnf . And don't miss a chance to ride them every year waiting on the snow. Low snow pack at low elevations Means we wait to ride every year and so more spots to ride equal More chances to ride in a growing sport. I support plan B and don't want to lose any more land. I ride snug harbor and prirose and fire house and resurrection past Turnagian black stone Johnson's creek and charter lake so please don't close anything thank you
