Comments: I'm a very outdoors type of person that loves to be in the forest, rivers, lakes and mountains year round during all 4 seasons up in Alaska as I reside in the Cordova, Alaska area. My passion for snowmobiling and snowboarding is very active during the winter season up in the mountains in beautiful Cordova along with my friends and family.

I would love to see the mountains in the Cordova areas and other parts of Alaska to stay open to the public for many to enjoy the outdoor activities they enjoy and to be able to see the beauty of Alaska for many years to come.

Thank you for you time,  
Charlie
