First name: Todd

Last name: Zempel

Organization:

Title:

Comments: As an outdoors enthusiast and Alaskan resident, I implore you to please provide ample opportunity for recreational use, specifically snowmobile and ATV access, in the Chugach Forest area. I am a member of the Anchorage Snowmobile Club and numerous social media groups dedicated to enjoying the outdoors and access to the Chugach Forest for recreational purposes allows the experience that leads to continued support and donations towards maintaining this beautiful area. Thank you for your consideration.
