Comments: Thank you for the opportunity to comment on motorized use of trails in Chugach Forest.

As a 40+ summer and winter of Chugach forest trails, my family and friends have and still snowmobile in the Lost Lake, Johnston, Resurrection and Turnagin passes and adjoins areas.

Therefore I would like to request the continued open availability of the above areas, and others, for winter motorized use.

Thanks you again.

Ronald 'Skip' Reiersen
