First name: Paul

Last name: Bartolowits

Organization:

Title:

Comments: I am a 57 year resident of Alaska, and proud to say born and raised in this great state. My family and I are users of the National Forest in winter and summer. Our main use is riding snowmobiles during winter. The new proposed plan "B" is the closest to what is in place now. What we have in place now seems to be an acceptable compromise for all user groups. Access for all user groups needs to be maintained.

Paul Bartolowits
