Comments: Chugach National Forest Land Management Plan Revision Comment

I was born and raised on the Kenai Peninsula and grew up adventuring on snowmobiles in the Chugach National Forest. Exploring Lost Lake from all access points, Carter/crescent lake, Turnagain Pass, Johnson's Pass, and everything else that was open to motorized use..... Along with enjoying these areas on snowmobiles, in the summer months I'm an avid mountain biker, hiker, and horseback rider. The Chugach is one of my favorite places on planet earth for snowmobiling and sled/board in the winter, I treat the land with absolute honor and respect. I fully support plan B and encourage the growth of more motorized areas and access. I would love to continually have the ability to take my family and friends to these sacred areas.

Thank you,

Carly Davis
