Dear USFS,

Please maintain and enhance the Wilderness areas in the Chugach National Forest. I support keeping the Nellie Juan - College Fiord Wilderness Study Area intact with Alternative D and the inclusion of EVOS purchased lands in Dangerous Passage and Knight Island.

In addition set aside ample area for quiet recreation and non motorized recreation. The world is a noisy place these days and the public will be seeking places to appreciate natural quiet where helicopters, snow machines and ATV's are not allowed to go.

Sincerely,

Thom Ely
