First name: Jean Luz
Last name: Revaul
Organization: backcountry horsemen
Title:
Comments: Concerned about use going outside of Bear Basin bike area. Jean is with Backcountry Horsemen, and is concerned about mountain biker (and other users) etiquette. Worried that there might be a bike/horse collision. hinks there needs to be signage to delineate between Bear Basin bike Area and the multi-use trails. Sees safety as a big concern. There are over 30 members of Backcountry Horsemen in Valley, Adams, and Idaho County.
