First name: Sterling

Last name: Mudge

Organization: Cloud City Wheelers

Title: Executive Director

Comments: The Cloud City Wheelers is a cycling club in Leadville, Colorado. As a local trail advocacy group we fully support the addition of trails at Copper Mountain. These trails will provide a safe and sustainable summer economic impact and will lessen the demand of current trails in the Summit County area. Having these trails professionally built will create trails that require minimal maintenance while providing unique and quality user experiences.

Please let us know if we can help in this process.

Thanks

Sterling Mudge
