Comments: I am in full support of the CFLR project and enthusiastic to get on board and help with the future of shaping the landscape in the our backyard. I am an avid mountain biker and coach for our youth mountain bike team. I am also a resident of bear basin area so this area is truly near and dear to my heart and I spend a lot of time in this area. I am also a certified sawyer for the FS as well as volunteer for the Payette Avalanche Center. I apologize I was not able to attend the meeting on Nov 27 but plan to attend future meetings in order to increase the recreation opportunities that are available close to our community.
