Comments: Single Track at the Wayne

Growing up I have heard nothing but great stories about the off-corridor single track riding that was done by my father and his friends at the Wayne national forest back in the day... I'm 30 years old now and I have never seen these trails but instead we drive to places such as Hatfield McCoy to create some of our own stories. It truly would be awesome to have these kinds of trails in our backyard! Please let me know if there is anything else I can do to make this dream come true!!
