Comments: Dirt bike trails @ Wayne National Forest

Hi Rachel,

I just wanted to reach out to you to express my support for adding single track (dirt bike only) trails at Wayne National Forest. As an off road dirt bike rider for 30+ years I can tell you that many dirt bikers really enjoy riding on smaller trails that are designed specifically for dirt bikes. This is something we haven't really had in Ohio and as a result my family, friends and I make multiple trips to Michigan each year so that we can ride the trails they have in place. If there were something like this available in Ohio I'm sure many riders like myself would be excited to use them! Thanks for any help you can provide!
