Data Submitted (UTC 11): 6/29/2013 2:40:13 AM
First name: Dan
Last name: Alvis
Organization: White River Trail Runners
Title: Trail Administrator
Comments: We feel that this plan revision will be beneficial to OHV users. These changes will allow for a more connected network of trails and provide more areas to ride from campsites. As these roads already exist, we feel that there will be no new impacts on forest resources.

Sincerely,
White River Trail Runners ATV Club
