Comments: KING MOUNTAIN IS A UNIQUE HANG GLIDING SITE BECAUSE OF THE WEATHER AND TERRAIN. THERE ARE VERY FEW PLACES IN NORTH AMERICA THAT REPLICATE THOSE CONDITIONS. IT IS UNIQUE AND VERY SPECIAL IN THE FREE FLIGHT COMMUNITY, WHICH INCLUDES BOTH HANG GLIDING AND PARAGLIDING. FREE FLIGHT REQUIRES ROAD ACCESS TO HIGHER ELEVATION LAUNCHES. KING MOUNTAIN IS ONE OF THOSE RATE LAUNCHES THAT PUTS YOU OVER THE HIGH DESERT WITH ITS DRY, HOT AIR AND BIG SMOOTH THERMALS THAT DEFINE THE ESSENCE OF CROSS COUNTRY FLYING. PLEASE KEEP KING MOUNTAIN OPEN AVAILABLE FOR FREE FLIGHT!
