First name: RICHARD

Last name: ACKERMAN

Organization:

Title:

Comments: Please consider keeping this land open for paraglider and hang glider free flight. Pilots are great stewards of the land. We often help maintain launch, landing, trails and more. Many pilots travel across the world to fly different sites like yours. When we do travel we support the local economy via hotels, restaurants, and night life.

Richard Ackerman. USPHA pilot 97869.
