Title:

Comments: Hello,

Please keep the horses and burros in the wild ... it was such a "great moment" for me when I saw a wild burro near Mt. Charleston ... These animals bring in tourists which benefit Nevada ... These animals are a part of our history and are 1 of the few remaining remnants of the "Wild West" ... Please leave them in this area so that we can continue to enjoy them ...

Thank-you,

Diane M. George

Henderson, NV 89052
