Comments: Singletrack at Wayne National Forest

Dear Ms. Neuenfeldt,

I am in full support of the Wayne National Forest establishing motorcycle single-track trails for enthusiasts to enjoy. I have not ridden at Wayne National Forest for many years due to the lack of challenging trails for motorcycles. I live in midwestern Ohio, but typically take a trip to the Hatfield-McCoy trails in West Virginia most years to find good singletrack to ride. Bringing these types of trails back to Wayne National Forest would be a huge benefit to the trail system.

Best Regards,

Jeffrey Brown
