Subject: Single Track Trails (motorcycle only) at Wayne National Forest

I ride the trails at the Wayne National Forest frequently. While, I love the miles and miles of trail system we have, we motorcyclists would like to have some dedicated single track trails. As of now the only "public" single track Ohio is in the Maumee State Forest (less then a mile long). WNF is right in the middle of multiple Motorcycle/Enduro/Dualsport clubs, who's members could take advantage of single track...as well as help with layout and maintenance (which is what Maumee SF does with Toledo trail Riders)

Thank You
