Comments: Please make motorized singletrack trails in the Wayne National Forest

Dear Rachel Neuenfeldt,

My name is Jason Rigsby. I have a Kawasaki KX 125 motorcycle and I really want to ride it on single-track trails in the Wayne National Forest. My son has a dirt bike and he wants to ride with me. Currently, there are no single-track trails in the Wayne National Forest? I pay taxes and I want the motorized single-track trails in the Wayne National Forest. I spend money riding motorized trails in other states like Kentucky where there are motorized single-track trails. Can you please help us get motorized single-track in the Wayne National Forest?

Sincerely

Jason Rigsby
