Comments: WNF Forest Revision Plan

As an avid off-road motorcycle rider and WNF consumer, I have three interests I would like to see addressed in the upcoming Forest Revision Plan:

1. Expand the trail system in the Long Ridge area by adding more single track trails.
2. Make the trails in the Long Ridge area designated as one way traffic.
3. Designate the Long Ridge area trails as MOTORCYCLES ONLY.

Sincerely,

Edward A. Stube
