Subject: Single Track Motorcycle Trails in Wayne State Forest

Hello Rachel,

I am writing to fully support the addition of single track trails in the Wayne State Forest.

I am a Toledo Trail Rider club member. I ride the single track trails in the Maumee State Forest.

I live in Michigan right over the Ohio line. I would spend my MONEY in Ohio to ride new trails in the Wayne State Forest. Just like I spend my money to ride at the Maumee State Forest.

Thank you for your time.

Mark Mallory
