Comments: Wayne . . .

Greetings!

I am writing to express the interest of myself and may other recreational motorcycle enthusiasts in the expansion of opportunities in the WayneNational Forest. Of particular interest are the potential to increase "single track" trails opportunities. Doig so will keep more riders and their money local. This will also have the effect of bringing more riders to the area to utilize the great resource. Their money comes along with them, providing an economic advantage.

Thank you for your consideration!

Michael Kilcher

Dual-Sport motorcycle enthusiast
