Comments: Single track trail in the Wayne

I'm writing this to encourage the creation of more single track riding opportunities in Wayne National Forest.

As someone from northern Ohio who has used the trails for many, many, years (along with my grandsons), I can say that keeping plenty of trails available will encourage me to travel to the area, and spend my recreation dollars there (which I would much rather do than travel farther to use the West Virginia riding facilities, that I've had to do for many years, because of the lack of Ohio rider-friendly areas).

Please do what you can to keep trails open and encourage more people to use them. I think you'll be pleasantly surprised with the results.

Thank you!

Ron Johnstonbaugh
