Comments: I hope that Jet Boat activity on the Main Salmon continues.

My son and I kayaked for years. Because of jet boat accessibility my father was able to watch us and see us in our element. He was thrilled that he could watch us.

He was older and physically limited without the jet boats and lodges he was thrilled he could join us. We were equally thrilled.

I believe that Steel head fisherman enjoy the jet boat and lodge fishing.

It's a special place and a special activity.

I feel the jet boaters should share the same access as the rafters and kayakers.

Thank you for your consideration feel free to contact me anytime.
