First name: RODGER L

Last name: SORENSEN

Organization: Star &#39;S&#39; Enterprises

Title:

Comments: My opinion regarding both BLM as well as US Forest land is to allow timber sales, livestock grazing, and aircraft use of back-country airstrips.

The US Public should benefit financially as well as aesthetically from these properties. I am firmly against non-use of public lands while waiting for a fire to destroy our valuable resources.

Rodger Sorensen
