Comments: My primary residence is in Connecticut. I also own a home on Cross Country Circle in Wilmington. I use this home as a weekend place while I am in Vermont to use the VAST snowmobile trail system. While I am up there every weekend during the winter, I spend a lot of money at local restaurants, markets, gas stations, and other businesses. I usually have friends come up to VT with me who also spend money in the various local businesses. In my opinion, The closing of any of the VAST snowmobile trails would possibly have a huge NEGATIVE effect on the winter economy in southern VT as snowmobile trail access is the ONLY reason many people visit the area.
