First name: Dave

Last name: Bingaman

Organization: Central Idaho Mountain Bike Association

Title: Trail Coordinator

Comments: I fully support the position submitted by Steve Lacey and the Central Idaho Trail Riders Alliance.

Confluence Alternative A or B With addition of toilet facilities

Hamilton Bar road Alternative A, allow it to regenerate on its own.

33 Bend/ Oompaul Alternative A with addition of modern vault toilet

Loon Creek Alternative B

Jakie Creek Alternative B

Phoebe Meadows Trail Alternative B

South Fork Road Easement Alternative B

Little Buckhorn Alternative B

Brewer Homestead trail ATV trail should remain, these trails also work for bikes, hikers, motorcycles and horses.

Cougar Creek Trail Alternative B

Davis Place Trail Alternative D, this is a great trail and needs to be repaired in a few places.

Blue Lake Trail B

Reed Ranch Alternative B

Pilot Peak Alternative B

Regarding reclaiming/naturalizing roads that are currently cut off from existing roads. I think it would be a mistake to take heavy equipment into these areas. Utilize less heavy handed maintenance on the problem areas and let nature run its course where these road are being naturally reclaimed.

Thank you for your time and consideration.

Dave Bingaman
