Last name: Adams

Organization:

Title:

Comments: We love and make a living from the wild places of our home state of Montana. Public lands are the best parts of our great country. They deserve our love, our respect and most of all our protection. Please manage our recommended wilderness like we manage our designated wilderness. Implement the Gallatin Forest Partnership Agreement. The Crazies, Absaroka Beartooth and surrounding areas should become designated wilderness keeping our wildland backyard WILD!!

Leslie Adams
