Comments: I support wilderness recommendations in an Alternative to the Revised Draft Forest Plan that:

- 1.Disallow trail (re)construction in the currently trailless areas of the Absaroka Beartooth and Lee Metcalf Wildernesses
- 2.Add the entire 230,000 wild, roadless acres of the Gallatin Range as Recommended Wilderness
- 3.Prohibit all motorized and mechanized uses, and any other activities not consistent with wilderness protection of the Gallatin Range
- 4.Preserve its wilderness qualities until Congress acts on the wilderness recommendations
